

Sale Name: Bulldog Auction

LOT 116 - Production/Merchandise Travel Case

Description

This rolling storage case features a sturdy black exterior with reinforced metal edges and corners for durability. It includes multiple drawers for storage and an open compartment for larger items, making it versatile for organizing tools, equipment, or supplies. The case is equipped with side handles for easy transport and rolls smoothly on casters, providing both mobility and functionality in various settings. See photos for details including measurements.
