

Sale Name: Auction in the Grove

LOT 122 - MCM - 2 Tier Horizontal Shelf

Description

This rustic tiered plant stand is an excellent choice for displaying a variety of plants and flowers. Made from natural wood, its three-tier design allows for ample space between shelves, ensuring each plant receives plenty of sunlight and air circulation. The sturdy wooden construction ensures durability, making it suitable for both indoor and outdoor use. Its simple yet functional design can complement any garden or patio setting, providing a natural touch to your plant display needs.
