

**Sale Name:** Auction at Wofford Mill

**LOT 141 - Indigenous American Headdress**

**Description**

- A beautifully crafted **feather headdress**, featuring an arrangement of natural feathers in varying shades of brown and white by: Little Wolf.
- The headdress is adorned with a **decorative beaded band** that includes geometric patterns in red, white, and blue, and is lined with faux fur trim.

- Leather straps allow for easy wear or display, making this a striking piece for decorative purposes or as a costume accessory.

A trio of arrows with arrow heads and small pink headdress are also included in this lot.

**Quantity: 1**
