

**Sale Name:** Auction by the Dam - Winter Prelude

**LOT 45 - Vintage .45 Cal Cast Bullets in Cases**

**Description**

- Collection of .45 cal cast bullets (20 per box) from Thompson Center Arms, each still in its original vintage yellow case
- Perfect for collectors or those with an interest in historical ammunition—these are cast bullets with a story
- A unique find to add a bit of firepower (pun intended) to any collection or display

**Condition:** Good vintage condition; cases show some wear, but they're packed with character and history

**Quantity:** 1
