

Sale Name: Auction by the Dam - Winter Prelude

LOT 89 - Antique Vanity Mirror w/ Brush Holder

Antique Yes

Description

Step back in time with this elegant antique vanity mirror, complete with intricate etched detailing that whispers of bygone beauty routines. Standing proudly on a

sturdy base with ornate curves, this piece features a pivoting mirror for perfect angle adjustments (no batteries required, just old-school charm).

The attached holder once cradled a brush or accessories but now invites your creativity—maybe a plant pot or candle? The mirror shows expected aging with a patina that adds character, ensuring it's a conversation starter in any vintage-inspired decor.

A perfect addition for collectors or anyone yearning for a touch of timeless grace! Let the bidding commence!
