

**Sale Name:** Auction by the Dam - Winter Prelude

**LOT 40 - Big Bang Safety Cannon**

**Description**

Item Details: A vintage Big Bang Cannon Model 15F by the Conestoga Corporation, Bethlehem, PA. Includes the original box and pamphlet, perfect for collectors of nostalgic Americana or anyone wanting to recreate a safe, explosive celebration.

- Condition: Excellent vintage condition with minimal wear. The box shows some signs of age, but the cannon and wheels look ready to roll into your display or collection.
- Special Note: No powder included—this cannon makes a “big bang,” but you’ll need to bring your own fun!
- A Touch of Humor: The only cannon that’s “safe and sane” enough for your backyard festivities. Get the noise without waking the neighbors... much.

Ready to bring some vintage firepower to your collection?
