

Sale Name: Auction by the Dam - Winter Prelude

LOT 127 - MCM 3-Drawer Chest and Side Table

Description

Description: A timeless mid-century modern wooden chest featuring three generously sized drawers with recessed handles, embodying the sleek, functional design of the era. Its smooth, natural wood finish pairs perfectly with both vintage and contemporary aesthetics. While minor wear adds to its character, this chest is ready to bring style and storage to any room.

Clever Touch of Humor: With just three drawers, it's minimalism at its finest—perfect for your wardrobe, or maybe just all those socks that have mysteriously lost their mates.

Small 1-shelf side table included!
