

Sale Name: Auction by the Dam - Winter Prelude

LOT 107 - Bottle Corking Machine

Description

This blue manual corker is a reliable tool designed for securely corking bottles. Perfect for winemaking enthusiasts or small-scale bottling projects, it features a sturdy steel frame, a lever arm with a comfortable rubber grip, and an adjustable base for accommodating different bottle sizes. The corking mechanism ensures a snug, professional seal every time. Ideal for crafting homemade wine, cider, or other beverages, this corker is a must-have for hobbyists and small-scale producers.
