

**Sale Name:** Auction by the Dam - Winter Prelude

**LOT 126 - Outdoor Decorative Planters and Accents**

**Description**

This delightful assortment of planters and ceramic accents is a gardener's dream—or a decorator's happy place! Featuring a mix of colorful designs, patterns, and sizes, these pieces are perfect for adding charm to your indoor or outdoor spaces. Highlights include floral motifs, a bold lemon design, and even a touch of Victorian elegance with detailed imagery on one of the planters. There's also a small floral candleholder and an ornate tile for that extra bit of flair. Whether you're planting succulents or just admiring them as they are, this lot promises to "grow" on you. (Sorry, we couldn't resist the pun!)
