LOT 102 - Vintage Train Horn

Description

This vintage train horn set is a true throwback to the days of steam and rail travel. With its gleaming chrome bell tips and sturdy mounting, it's more than just a functional piece—it's a conversation starter. Whether you plan to restore it to its original glory or keep it as-is for that weathered industrial aesthetic, this set is sure to bring a sense of nostalgia to any space. See photos for details on condition.
