LOT 172 - Glass Canister Set w/ Wicker Serving Tray

Description

This set features a collection of glass canisters, each with a unique design, sitting on a charming wicker serving tray. The canisters vary in size and style, some with floral motifs, offering a nostalgic touch to any kitchen or display. This versatile set is both functional and decorative, perfect for organizing small items or enhancing a vintage-inspired space. See photos for details on each piece's condition.
