**LOT 17 - Pure Komachi HD Knife Set (In Box)**

**Description**

Add a pop of color and precision to your kitchen with this Pure Komachi HD Coated Carbon Stainless Steel Knife Set. Each knife in this set is as sharp as its vibrant hue, featuring razor-sharp blades with high-definition food-safe coatings that prevent sticking while slicing and dicing with ease.

This set includes:

- A vibrant bread knife for slicing through loaves without crushing.
- A commanding chef's knife for all-purpose cutting tasks.
- An elegant santoku knife for delicate precision.
- A multi-tasking purple utility knife for everyday needs.
- A sleek paring knife for intricate, close-hand work and tomato knife for salad night.

With soft-grip handles for ergonomic comfort and a scratch-resistant double-coated finish, this set combines beauty with durability. Perfect for anyone who takes their kitchen game as seriously as their style.

Sharpen your culinary creativity—this 6pc set will be the cutting edge of your kitchen!
