**LOT 116 - Tea & Lemonade Vintage Style**

**Description**

Here's a delightful trio that will have your tea time or lemonade stand looking like it stepped out of a vintage daydream. This lot features two charming teapots—one with a whimsical hand-painted floral design and another rocking a retro mod black and white pattern that practically whistles sophistication. Completing the ensemble is a clear glass pitcher with a cheerful yellow lid, perfect for serving up summer vibes all year round. Whether you're brewing, pouring, or just enjoying the view, this set is steeped in charm!
