LOT 135 - Various Ceramics

Description

A delightful set of three vintage porcelain figurines featuring intricate designs and charming details. This trio includes a lady in an elegant gown, a dashing gentleman in classic attire, and a farmhand with a cheerful smile and a water jug. Each piece is beautifully hand-painted, showcasing soft pastel tones and gold accents. Ideal for collectors or as decorative pieces for a vintage-inspired display. Condition shows minor wear consistent with age. A charming addition to any collection!
