Sale Name: Mountainside Auction **LOT 152 - Vintage School Desk**

Description

Step back into the classroom of yesteryear with this charming vintage school desk. Featuring a sturdy metal frame and a wood desk surface with a matching attached chair, this piece is the epitome of old-school functionality. The desk includes a built-in under-seat storage compartment for books and supplies—a perfect nod to its scholastic roots.

While this desk bears the marks of its educational history, the character it brings is undeniable. Whether you're looking to decorate with a touch of nostalgia or seeking a unique statement piece, this desk is ready to ace the test of time.
