

**Sale Name:** Mountainside Auction

**LOT 155 - Fireplace Screen and Tools**

**Description**

Ignite your love for cozy evenings by the fire with this elegant fireplace essentials set. Included is a sturdy black metal mesh fireplace screen with brass accents, standing guard against stray sparks while looking undeniably classy. Complementing it is a vintage brass-handled toolset featuring a poker, shovel, and brush, complete with a stand that's as functional as it is charming. Whether you're keeping the home fires burning or simply decorating, this set will warm your heart (and hearth)!

**Quantity:** 1
