

**Sale Name:** Auction Americana

**LOT 60 - Mottahedeh & Transferware**

**Antique** Yes

### Description

An eclectic trio of antique treasures!

First, a **brown transferware covered dish**, featuring intricate floral patterns and ornate handles—a stunning addition to any classic table setting or collection.

Next, a **charming hand-painted porcelain dish**, depicting a pastoral scene of a musician and his loyal sheep. The delicate artistry and fine detailing make this a delightful display piece.

Finally, a **whimsical porcelain monkey figurine**, dressed in traditional robes and enjoying a peach—a symbol of longevity and good fortune. Its playful expression and vibrant details make it a unique conversation starter.

**Quantity:** 1
