

Sale Name: Auction Americana

LOT 96 - British Delft & Yellow-Glazed Pottery

Description

Add a touch of colonial charm to your collection with this delightful pair. The blue and white Delft-style figurine captures the spirit of early America, complete with traditional attire and a striking stance. Beside it, the handcrafted ceramic candlestick holder, rich in warm earthy tones and folk-art flair, brings a rustic yet artistic touch.

Whether you're a history buff or just love unique décor, this duo is ready to find a new home.
