

**Sale Name:** Auction Americana

**LOT 58 - Battle of Lexington**

**Description**

A dramatic scene of history in motion! This striking framed print captures a pivotal moment of battle, with Redcoats in formation and colonial forces scattered across the field. The detailed hand-colored engraving brings the tension and movement of the American Revolution to life. Set in a sleek black and gold frame, this piece is perfect for collectors, history buffs, or anyone who appreciates powerful storytelling through art.
